Dear Mr. Moore,

Thanks to your "Summer Crusen with the Wizard" promotion, our trip to Cincy was great! We enjoyed a two day stay at the Clarion. The Clarion is a nice hotel, but can get expensive because of tipping and parking fees. The Skywall is great for getting around Cincy. We spent an enjoyable day at the zoo, took our river-boat cruise and wore ourselves out at Kings Island. We didn't have an opportunity to use our Mike Sinks certificate at this time. It doesn't expire until 4/7/93 so we're hoping to use it before then.

I listen to the Wizard all the time and like the fact that you're always giving things away. Of course winning some of those

give away is great!

Thanks for an enjoyable vacation!

Sincerely,  
Bucky K. Bores

Mr. Tim Moore  
WSWR Radio Station  
47 East Main Street  
Shelby, Ohio 44875

Dear Tim:

The 52nd Annual Ohio Junior Golf Tournament hosted by The Shelby Country Club ended as a huge success. And your providing radio spots to promote the tournament and the Club was a major reason why. Area businesses and individuals donated a total of \$1,645. Along with the monetary donations, Wendy's and Pepsi-Cola provided the food and beverage. The local community support was tremendous.

With your sponsorship, we were able to accomplish our goals of providing the youth with a memorable golf tournament and strengthening The Shelby Country Club's relationship with the Ohio Golf Association. The contestants praised the golf course, and the Ohio Golf Association Officials "wished all their tournaments ran this well".

To honor your support, your name will be placed on a plaque as a Sponsor of the tournament. This plaque will be displayed along with the one awarded to the Club for hosting the tournament.

Your support was greatly appreciated.

Sincerely,

Dear Mr. Moore,

Just a note to thank you for a lovely piece of a tape to the Olin Hall of Fame. I was a contestant on your station (I guess) and I was so elated because my husband is such a football buff. On July 5th

we went to the Hall of Fame and had a wonderful time. We learned so much about the great players of the game. Everyone was very nice and the television "play by play" was very informative.

"Play by play" was very informative. I again want to say thanks for the opportunity of giving my husband and I such a memorable day together.
